

Five Soldiers 2023

RUSTENBERG WINES

Introduction

The Five Soldiers vineyard is named after five tall stone pine trees called the “Five Soldiers” that tower over this site. Carefully selected Chardonnay bunches from this area are hand harvested for this special wine and then given royal treatment in the cellar. The final product is a very complex full-bodied wine, approachable in its youth however careful cellaring will exhibit the depth of the wine’s complexity and will reward patience.

Vintage

The 2023 vintage marked another vintage influenced by the La Niña weather phenomenon. The Autumn of 2022 was dry with below average and variable rainfall throughout the Winter. Spring too was dry, but cool, however, a massive cold front in December brought much needed rain, but increased disease pressure. This led up to harvest set the scene for a challenging vintage and lower crop sizes. The early heatwaves experienced in January, as opposed to usually occurring in February, brought the white cultivars into line with their average picking dates and all of the white grapes were picked before the unseasonal rains experienced in late February and March. The cooler growing season and lower crops resulted in good acidity and concentration to the wines, while the warm lead up to harvest has given white wines from this vintage a burst of ripe fruit. All things considered, it was another good white wine vintage despite the challenging growing season.
